

Chetek 2010 Mission Focus

Dear Brothers and Sisters in Christ,

We, the Regional Youth Council of the Western District, recognize there is global mission. We also recognize there is local mission that needs support. In recent years up to \$5,000 has been raised each summer through the generosity of Chetek campers (grade 9 through age 21) and staff for mission. **This year we would like to support the efforts of the Western District congregations.**

Do you have a current mission or ministry effort that needs financial support? Do you have a new idea for a mission or ministry that would benefit from seed money? If so, please complete the attached application and return to Kristin Muenster by May 15, 2010.
