

MVR Update / May 2010

Moravian Volunteer Resources

To my dear sisters and brothers, greetings in the name above every name, our Lord Jesus Christ, Amen!

I write to inform you of a number of opportunities that will be available over the next few months in hopes that you will pray and ask our Lord if one of these opportunities could use YOU to be a blessing in this time of great need! As you will see, some of these opportunities are right out your back door, but some are places that we have and will continue to serve until our work there is finished! Others are far away in distant lands where some of our missionaries are now serving to share the Good News of Jesus Christ to those that have not heard.

Have you made plans for this summer?; would you consider taking a week, or maybe two or more, to serve God and your fellow man by giving yourself as a living sacrifice in hopes to maybe lead someone to the saving knowledge of Jesus Christ?

And by all means, don't think that these opportunities alone are all that God has to offer you in His service, just look around you and see, the fields are truly white for harvest, pray that the Lord of the harvest will send laborers out into the fields! (Matthew 9:35-38)

If you can't go, then pray and ask how you can help someone else go and be the hands and feet of Jesus in this world. To give financially or commit to prayer are those things that will help complete the Body of Christ to fulfill its mission. (Ephesians 3:11-13)

Have you served yet, thank you! Thinking about taking a step of faith and serving for the first time?, you will never be the same!

You will receive power when the Holy Spirit comes upon you, and you will be my witnesses in Jerusalem, "right where you are ", Judea, " maybe in the next state " , Samaria, "some place you have been warned not to go, and to the end of the earth," they don't even speak my language" .(Acts 1:8)
